

شركة الجواد للتجارة والمقاولات
AL JAWAD TRADING & CONTRACTING CO. ك.م.ع.

AL-JAWAD CO., a "General Contracting" company established in 1978, based in Kuwait, specialized in the construction of superstructures in the Public & Private sectors

Our construction force through highly experienced projects managers & estimators have executed for the last decade's high caliber commercial, residential, recreational and industrial projects on turnkey basis. Most of the projects were executed under the direct supervision of International & local consultants and designers. Our company, have for years implemented high quality private villas, residential compounds and commercial centers for prestigious clients.

Today, our execution teams, with their solid reputation, stand by to implement and construct any project of high magnitude through realistic budget and efficient time.

Our Company, with a broader look in the Middle East, has established a firm base in IRAQ, and participates in many Infra & Super-structure projects in various construction fields.
